

We are excited to announce two new training and education resources for WebEOC! We have launched a couple of resources aimed at assisting users of the DPH WebEOC to become more confident, efficient and effective in their use of the platform. Please continue to read for specific details on these valuable opportunities. [Click here](#) to sign up for announcements and reminders concerning these new opportunities!

WebEOC Office Hours (Weekly)

WebEOC subject matter experts will be available to assist with login credentials, answer questions on the “topic of the month”, receive comments and recommendations as they relate to the Georgia Department of Public Health WebEOC.

Date: Every Monday

Time: From 1:00pm – 2:00pm

WebEOC Lunch N Learns (Monthly)

The Georgia Department of Public Health, Health Protection Division will be hosting monthly WebEOC Lunch N Learns. On the last Monday of each month we will cover different topics as they relate to WebEOC. From getting started with WebEOC to the more advanced boards and processes, these mini subjects will allow you to hone your WebEOC skills over a diet Coke and Ruben sandwich (or whatever your lunch may include).

Date: Monthly on the last Monday

Time: 12:00pm – 1:00pm
