DIRECTIVE 26-EX-7

TO: ALL LICENSED INSURANCE COMPANIES IN THE STATE OF GEORGIA

FROM: JOHN F. KING
INSURANCE AND SAFETY FIRE COMMISSIONER

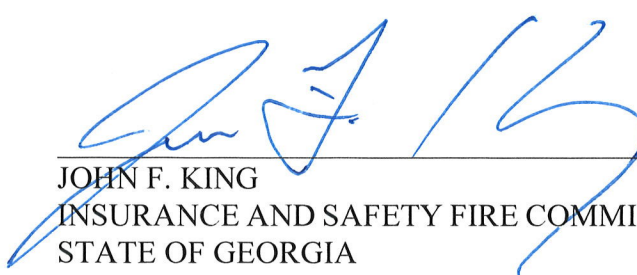

DATE: OCTOBER 9, 2026

RE: INSURANCE COMPANIES ACROSS ALL LINES OF COVERAGE – NO
CANCELLATIONS FOR FAILURE TO PAY IN AFFECTED AREAS

On October 8, 2026, Governor Brian Kemp issued a State of Emergency for all 159 Georgia Counties due to the impending landfall of Hurricane Isaias. Many Georgia counties are expected to experience heavy rain and strong winds that may result downed trees and power lines, power outages, and flash flooding.

In a significant number of these counties, consumers may be unable to access mailing and postal services. Without access to these services, residents are in no position to ensure prompt payment of their premiums.

Insurers are not to cancel policies for non-payment from policy holders in the affected counties until further advised by the Department.
